- *Our stock curtains and work stations ship within 24 hours*

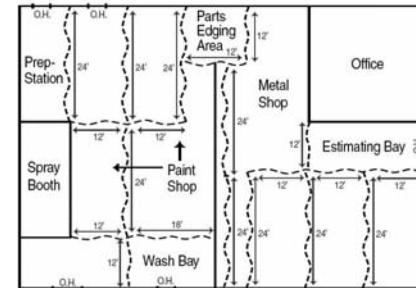

# SHAVER CURTAIN WALLS & WORK STATIONS

## Stock Curtains & Packages

Our in-stock, curtain wall packages are available in heights of 8', 9', 10' and 12' high and widths of 6', 12' and 24'. They are constructed with the same materials that are used in manufacturing all Shaver custom sized curtain walls but ship within 24 hours and are only available with blue bottoms, clear centers and white tops. Stock curtain station packages are also available and are designed to enclose one full 12' wide x 24' deep work stall.

## Bodyshop Layout Solutions

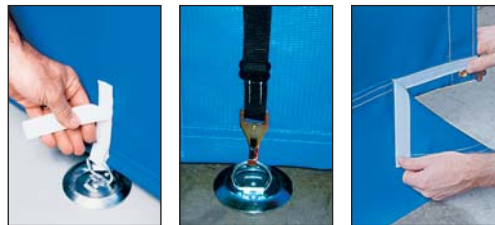

A typical example of Shaver curtain walls in use.

## Hardware Options

Shaver curtain walls can be suspended from the ceiling or mounted directly to the ceiling and wall. Floor-mount hardware is also available. All curtain systems include a heavy duty track (16 gauge) and rollerhook system along with either suspend, wall or flush mount brackets
