

Protective Face Shield

Vented foam headband for increased airflow and comfort. Anti-fog, anti-glare PET Plastic shield. Not made with natural rubber latex.

- Protects mask and face from direct splatter; may prolong mask life
- Optically clear, no distortion free wrap-around face shield
- The foam strip and fixing device holds shield away from face, allowing room for goggles
- Lightweight and comfortable to wear, quick and easy to put on
- Elastic band can be adjusted according to your need
- Clinically Vetted
